Boyce,

I have really enjoyed riding the bus this year. We have had a lot of fun. I wish you would drive again next year, but you say you aren't. Maybe (you-know-who) will drive it. I don't guess you will forget this year either. Teasing Carolyn has been fun although she doesn't liked it a bit. She has fussed and snorted, but still has been teased and so have I. We have teased you and asked questions and screamed and hollered, but you have took it without getting mad.

I hope you passed all your subjects. We wouldn't want to leave you in the Sophomore Class again next year. It would be awful to do that.

I hope you succeed in everything you try to do. May you always have happiness the rest of your life. You are a nice boy. Just don't change. Always be good.

a friend
Linda
